Watch out for the Social Programme !!

Like it was done in Aalborg we offer participants in the conference the possibility to take part in a social programme, in 2017 on Wednesday 8 March (10:00 till 16:30). During that day there will be visits to colleges in the region of Bled, combined with a guided tour in the centre of Bled.

The visits to the colleges will give you a possibility to talk with managers about the role of two year programmes in Slovenia and the cooperation with the regional labour market.

We have just a limited number of places !!
