### HOTELS

#### Hotels in Oslo during the conference

Our Norwegian colleagues managed to negotiate competitive hotel prices during the Annual conference. The hotels have enough rooms, also for groups. They are all within walking distance of the venue (Rosenkrantz gate 16, 0160 Oslo - Fagskolen Kristiana). Of course you can book another hotel or apartment yourself.

When you book one of the hotels below by e-mail, please indicate that you are a participant in the CHAIN5 Annual Conference. You will learn from the hotel in question what the policy is when it comes to canceling the booking. We have been informed that a flexible approach will be used.

*The currency rate: NOK 100 is appr. 10 euro.*
