

WEEKEND GEILO, NORWAY – AFTER THE ANNUAL CONFERENCE

In this memo we provide further information about the weekend in Geilo. Based on that, you can decide to participate and then arrange your transport to and from Oslo.

We assume that you can take a plane after 5 pm. If this is a problem, an individual arrangement can be looked at based on the return journey by train.

Registration for the weekend: use the link on this page of the website

You can find a link for a form on this page – together with the formal registration for the Annual Conference – that allows you to sign up for this weekend, based on the arrangements listed here. You can also indicate your additional wishes, for example with regard to the return journey, a possible diet and other personal circumstances that we can take into account.

Dates

To Geilo on Friday 23 September, in the afternoon.

Back to Oslo on Sunday 25 September, arriving in the first half of the afternoon

Program

The following schedule has now been drawn up, based on the options agreed with the organizers in Geilo. The final program will be announced in the second half of June.

Friday

- Departure in the afternoon, after the closing session of the Annual Conference
- Check in
- Cultural Dinner (local food presented by producers, students and our host) – music

Saturday:

- Breakfast
- Outdoor and Leisure activities in groups (there will be enough possibilities...) - lunch)
- Seminar at the end of the afternoon - international cooperation- sustainable tourism
- Dinner and live music

Sunday

- Breakfast and Check-out
- Group session
- Back to Oslo (train station)

Rooms and apartments

A hotel is recommended by our Norwegian colleagues. The seminar will be held there and further joint meetings are also possible in **Bardøla Høyfjellshotell (Bardøla Highland Hotel), in Geilo.**

You can book a room, apartment or lodge directly, for one or more people, via the hotel's website: <https://booking.bardola.no/en/accommodation/list>

Discount

Because we have a deal with this hotel, you will get a discount on the prices for the rooms – meaning paying 15% less. For instance, the price for the a two night stay for one person in s Studio Apartment Economy are normally 2780 NOK. Minus 15% is will be around 2490 NOK (having the taxes in mind for this).

Code for this booking

The code is called: **REISELIV2022** (write it where it says "I have a code" or" jeg har en kode").

For the record, the exchange rate was on June 1: 100 NOK = 9,85 euro.

If at some point it turns out that there are no more rooms available via the hotel's website, you can contact us (oslo22@chain5.net).

Transportation from Oslo to Geilo and back

We have busses that can take 16 persons, and if we have some cars.

The costs will be NOK 200 per person for transportation (can be paid cash, on the spot).

Dinner

Both dinners are sponsored by the local tourist industry. Alcoholic beverages are not included, meaning that you have to pay for them 'on the spot'.

Other costs

- Lunches (maybe also to be prepared during breakfast...)
- Renting material (we have a number of electric bikes for free...)
- Coffee etc.

You can pay for this yourself, depending on your choices.
